

OzBook Booking Service

Increase your Website Market with OzBook!

OzBook Booking Service is a regional Victorian business which focuses on providing online booking services and the friendly assistance, for accommodation, attractions and events, for any tourist wishing to visit the region.

OzBook helps businesses and tourists streamline bookings information and administration by using a real-time booking system and services – BookEasy - currently being used by over 80 Booking Centres Australia wide.

OzBook Booking Service can:

- Make bookings and manage requests for accommodation via the OzBook website, via email and phone
- Provide website training for operators in the use of the BookEasy system and provide phone support
- Give properties who sign up with OzBook added **website exposure** on www.ozbook.com.au
- Online web presence and the capacity for visitors to “Book Now”
- Exposure to over 80 other BookEasy Visitor Information Centres/Agencies Australia wide for booking your product
- The ability for operators to let OzBook manage their phone enquiries whilst you are on holidays or simply “just want the day off”. It’s as simple as forwarding your phone calls!

ALL BookEasy Booking Centre Members (OzBook Members) receive

- A Username and Password to login to the Online Administrative Console.
- A FREE, easily updatable web page on the OzBook website.
- FREE, easily updatable Product Page/s (if applicable) on the OzBook website.
- Six pictures on the web page, one picture for general searches, one picture for each bookable tourism product (listed on Product Pages).
- Flexibility in commitment – choose from 24 Hour Availability or Gold Medal Availability commitment – you can be in control of your bookings at all times.
- Access to online bookings, full reservation details, net pay, member’s discussion board etc.
- Website training from OzBook and FREE phone support from BookEasy
- All these benefits and more for only 10% commission – no other fees are involved!

Don't miss bookings opportunities! I am happy to meet with you at your convenience to talk about how OzBook can help your business.

Regards,

Carolyn Rodriguez
