

OzBook Booking Service

Increase your Website Market with OzBook!

OzBook Booking Service is a regional Victorian business which focuses on providing online booking services and the friendly assistance, for accommodation, attractions and events, for any tourist wishing to visit the region.

OzBook helps businesses and tourists streamline bookings information and administration by using a real-time booking system and services – BookEasy - currently being used by over 80 Booking Centres Australia wide.

OzBook Booking Service can:

- Increase your website presence to the tourist market
- Promote your business to groups and tours visiting the area
- Provide website training for operators in the use of the BookEasy system and provide phone support
- Give businesses who sign up with OzBook **website exposure** on www.ozbook.com.au
- Online web presence and the capacity for visitors to “Book Now” (if this feature is chosen)
- Exposure to over 80 other BookEasy Visitor Information Centres/Agencies Australia wide for showing or booking your product

ALL BookEasy Booking Centre Members (OzBook Members) receive

- A Username and Password to login to the Online Administrative Console.
- A FREE, easily updatable web page on the OzBook website.
- FREE, easily updatable Product Page/s (if applicable) on the OzBook website.
- Six pictures on the web page, one picture for general searches, one picture for each bookable tourism product (listed on Product Pages).
- Website training from OzBook
- All these benefits and more for only \$89.95 per annum – much more realistic than many other forms of advertising!

Don't miss marketing opportunities! I am happy to meet with you at your convenience to talk about how OzBook can help your business.
